NEW ADMINISTRATION TO HEAD CITY FOR NEXT FOUR YEAR TERM

Officers to Take Over Duties First of January—City Race
Free From Strife and Tension.—City Executives
All Men of High Calibre.

WITH the smoke of battle blown away we may view the new perspective and brief "note and comment" may not be amiss at this time. The city race has been one free from usual strife and tension. Each and every candidate carried on his campaign in that manner that leaves no room for adverse comment, and The Echo wishes to compliment each and everyone who participated. True the calibre of men engaged in the race was of such type as to expect no acrimonious or questionable method, but even then oft times circumstance alter cases and only too frequently the devil must be fought with fire.

The men selected will soon serve their city well. Of this there is no question, no doubt. The incumbent administration has served well. It must not be forgotten they steered the ship of state through narrow channels and off rocky shores, thru a period of financial stringency the like of which has never been known.

G. Y. BLAIZE

Having served the city formerly and in like capacity and acquitting his administration in admirable manner, the new mayor-elect will have no difficulty in again likewise doing.

G. Y. Blaize, who received the nomination for the mayoralty in Bay St. Louis municipal election last Saturday is well-known for his former administration, during which time he inaugurated various and successful enterprises, of which number of these none the least was the Central High school building and elaborate and effective system of sewerage.

Mr. Blaize has well demonstrated his executive ability and in such manner as to accomplish the most and always with economy.

It is no wonder he made such splendid run, in both the first and second primary.

We have every confidence in the ability of Mr. Blaize. And so has the public. He promised a decided lower assessment and tax-rate and we, as well as the public, have an abiding faith that such promise will not have been made in vain. He has never been a man of empty promise. On the contrary, he is known not only for the things he said he would do and give the public but always in exceeding measure.

At this time there are many new issues and problems that will beset the official path of the new chief executive. This condition arises with every cycle of time and with every change of administration. Mr. Blaize, both by experience and qualification, is well equipped to meet these elements in his new official life and to combat with every phase of vicissitudes that may arise.

W. L. BOURGEOIS

No citizen has been more generally identified with the general upbuilding and welfare of Bay St. Louis and its people than W. L. Bourgeois, nominated one of the two city commissioners, and in great measure it seems but fitting that at some time in life men who have exhibited such force of doing and character for his community should be exemplified both by public recognition and reward.

It is true, men of Mr. Bourgeois type do not perform public and private civic duty for remuneration or other reward. They are not of that kind that subscribe to the idea of "measure for measure," but it will behoove a citizen when they can pay tribute to one's worth in a community that they do so. Such exemplification of ideal citizenship should not go unrewarded.

W. L. Bourgeois has been engaged in the general mercantile business all of his adult life and his life-long attitude of "service to others" should serve him in good stead when he shall have assumed his official position.

He at one time served with fidelity and efficiency on the city school board with this writer and was never lax or remiss in his duty.

His work in local Woodmen of the World activity is too well known to bear repetition here. Such initiative and constructive work as his in Woodcraft has extended over a period of years.

R. MORAN KILLED SUNDAY

Rosaire Moran is Shot From
His Horse; His Cousin
And Brother Held in
Affair.

Rosaire Moran, 47, was shot from his horse Sunday afternoon between 2 and 3 o'clock, at Standard near the Shaw Gravel Pit, and died almost immediately. His cousin, Seamon Moran and brother, Admond Moran, are held charged with the shooting. At a hearing Tuesday morning before Justice of the Peace Fuente at Kiln, Seamon Moran was bound over without bail to await the action of the grand jury which meets in January, and Admond Moran was bound over to the grand jury under \$3,000 bond.

At the hearing witnesses brought out that the firing of the three fatal shots was done by Seamon Moran, it was said. Following the hearing both Seamon and Admond Moran were lodged in the Hancock county jail.

It is understood that the shooting was the outgrowth of a long standing family feud, and that Admond Moran and brother, Rosaire Moran were engaged in an argument when Seamon Moran arrived on the scene. It is understood that there were about half a dozen men present when the shooting occurred.

Rosaire Moran is survived by his wife and one son. He was a prosperous local farmer. The funeral was Monday afternoon with Rev. Denis of the Kiln Catholic church officiating, and interment was at the family burying grounds in the Standard community.

Supervisors Meet

The Board of Supervisors in session Wednesday elected Chas. Murphy to go to Jackson to confer with the Mississippi Tax Commission. In regard to the cut in County Assessments, which the Commission objected to, Mr. Murphy was instructed to get in touch with Mr. Coffey, secretary of the Tax Commission, and find out the earliest date it would be possible for him to meet with the commission.

LOCAL DELEGATES ATTEND CONVENTION AT VICKSBURG, MISS.

Of Council of Catholic Women—Addresses of Miss Mary G. Hawks Are Features of Meet

Second annual conference of Nat-chez Diocesan Council of National Catholic Women was held in Vicksburg, Miss., October 15, 16, and 17.

Miss Mary G. Hawks of Washington D. C., National President of N. C. C. W. attended the convention and her addresses were the outstanding features of the convention. Her address on Unity Thought Federation in the N. C. C. W. was especially noteworthy. She stressed in particular the fact that if you are to be truly members of the National Council you must not only be Catholics in name, but must live Catholic, think Catholic and act Catholic. Rt. Rev. R. O. Gerow, Bishop of Natchez attended all meetings. The welcome address was given by Rt. Rev. J. M. Prendergast, formerly of Bay St. Louis.

Rev. Patrick McAlpine of Water Valley, Miss., gave a splendid talk at the reception given at K. C. Hall on Sunday night. Officers elected were: Miss Florence Donovan, of Vicksburg, President.

Mrs. A. H. Daniels, Vicksburg District, Vice President.

Mrs. Edw. Carrere, Waveland, Vice President, Bay St. Louis District.

Miss Nona Conners, of Jackson, Treasurer.

Miss Mildred Payment, Gulfport, Recording Secretary.

Mrs. Edw. Carrere, Waveland, Auditor.

Mrs. S. J. Corso, of Biloxi, and Mrs. Ed. Leonard of Meridian and Mrs. C. H. Francis of Vicksburg were named members of the board at large.

Mrs. J. D. Nix, Waveland was elected head of charity society.

Mrs. Mark Wood, Water Valley, Altar Society.

Mrs. Edw. Carrere of Waveland, chairman of Woman's Board.

Those attending from this district were Mrs. J. D. Nix, Mrs. Edw. Carrere, Mrs. Chas. A. Gordon of St. Margaret's Daughters and Mrs. Thos. Smith of Altar Society.

The meeting closed with a banquet at Hotel Vicksburg with approximately three hundred present.

TAG DAY FOR BOY SCOUTS

October 29 Is Set Aside For
Day on Which To Raise
Funds For Local Troop
Work

Each year it is necessary to secure a stated sum for the support of the local Boy Scout troop in each locality where a troop is affiliated with a council, this sum to be paid directly to the council and the council in turn furnishes a field executive to assist the local scout masters in handling the affairs of the troop. The Bay St. Louis Boy Scouts are affiliated with the New Orleans Council and the funds collected here are turned over to the New Orleans Council, and a field representative from the city makes stated visits to the local troop.

The Clement R. Bontemps Post of the American Legion which sponsors the local troop has set aside Saturday, October 29, as "Tag Day" for the Boy Scouts and on that date "tagging" will take place on the streets of the city and also a drive for funds will be made among local merchants and others interested in the Boy Scout work.

The local Boy Scout troop has made excellent progress, has a fine membership of boys, and good executives, and is fully deserving of support by the people of the community.

SUCCESSFUL P. T. A. RALLY TUESDAY NIGHT WAS WELL ATTENDED

Five County Units Participate—Other Organizations Take Part in Program

A lively and inspiring rally was held in Bay High Auditorium Tuesday night under auspices of the Parent-Teacher Associations of Hancock county, for the purpose of demonstrating, briefly yet graphically, the aims and achievements of the various Parent-Teacher groups. Much has already been done for the welfare of school children, and in the trying winter to come, much more must be done to keep every child well fed, well clothed, and in regular attendance at school.

To accomplish the best results, the Parent-Teacher organizations strive to work in co-operation with other welfare agencies, and this highly successful rally brought this whole community a step nearer to this goal.

The entire program was well planned and executed, bringing out impressively the aims and ideals of child welfare work. Especially enjoyable was the vocal solo of four-year-old Thelma Otis of Logtown. The Flat Top delegation are to be congratulated on the fine spirit which brought them from so far away with one of the best skits on the program. Their men most entertainingly presented the need for the fathers' participation in Parent-Teacher work. The mock P. T. A. meeting presented by a self-possessed group of young ladies from Logtown was another interesting feature. The Kiddie Band from Waveland, and the military drill staged by the St. Joseph's Academy group showed able direction and preparation.

The sketch, "What Makes Us Grow," presented by Bay Central P. T. A. demonstrated the benefits of summer round-up and follow-up work.

The Girl Scouts, sponsored by the Central P. T. A. stated the laws and principles of Scouting in a pretty Camp Fire ceremony, while the Boy Scouts opened and closed the program by presenting and retiring the colors.

For the other welfare organizations, Mrs. Laurent Dickson spoke briefly of the achievements of the Boy Scout work sponsored by the local Post, while Mrs. Laurent Dickson represented the American Legion Auxiliary, telling of its program for relief work among the needy, which work is not confined to the families of veterans. The Junior Circle of the King's Daughters appeared with their purple banner and stated their aims and object. Mr. George R. Rea, for the Red Cross, told of the work already done and that planned for the coming winter, including the distribution of flour, garden seed and yeast.

Everett Dix, assistant manager, eastern area American Red Cross, gave an inspiring talk. He told of the speed and efficient measures with which the Red Cross meets all disaster appeals. As an instance he quoted statistical figures showing the amount Louisiana sent to the National Red Cross last year, namely, \$70,000. During the Mississippi river flood disaster Louisiana was sent \$600,000 for reconstruction and relief work. In other words for every fifty cents sent to the National Organization twelve dollars was returned to the State.

Mrs. Margaret Butler Bishop, field representative of the American Red Cross at Hattiesburg told of her experiences in administering relief and of the needs for the coming winter.

Luncheon was served at the noon hour.

The afternoon was devoted to round table discussion. Some of the delegates telling of their work were: George Rea, A. Currie, E. L. Wingo, G. Hightower, T. Gibbons and J. C. Fields.

Hancock county had the largest number of delegates.

In closing Mr. Dix reminded all present of the Annual Roll Call which will begin Armistice Day November 11th. He stressed the fact that there is an urgent need for increased membership and the delegates promised a 100 per cent enrollment for Mississippi.

Special garments made by Red Cross workers from the cloth which the Red Cross will distribute later in the season were on display including flannel nightgowns, men's blue shirts and children's and women's dresses.

RED CROSS DELEGATES AT MEETING

Six Members of Bay Chapter Attend Regional Conference at Hattiesburg

George R. Rea, chairman of the local chapter of the American Red Cross, was host Friday, October 14, to a party of Red Cross members including Mrs. George Rea, Mrs. K. W. Pepperdine, Miss Mary Edwards, Mrs. J. C. Buckley and Mrs. H. G. de Ponte. They motored to Hattiesburg to attend the Regional Red Cross meeting held there on the Mezzanine floor of the Hattiesburg Hotel.

Delegates from twenty counties of Mississippi gathered to hear interesting speakers tell of the wonderful relief work done by the Red Cross in the distribution of flour, garden seed and yeast.

Everett Dix, assistant manager, eastern area American Red Cross, gave an inspiring talk. He told of the speed and efficient measures with which the Red Cross meets all disaster appeals. The Mississippi Congress of Parents and Teachers has declared the week of October 16-22, State P. T. A. Week and happily this week which is the anniversary of the founding of the state organization, is also National Childhood and Youth Week, hence, the two are being observed jointly throughout the state this week. Hancock County Parent-Teachers' Association in its celebration is featuring two outstanding projects, first, the P. T. A. Rally held Tuesday night at the Bay St. Louis High School as a county-wide affair, and second, the special edition of the Sea Coast Echo, this latter made possible through the cooperation of Chas. G. Moreau, editor and owner.

The State P. T. A. was 23 years old October 19, and it was believed by the state organization of which Mrs. W. D. Cook of Meridian is president, that this occasion could be observed fittingly by using the press as a means to disseminate information regarding the work, objectives, activities and successes of the organization in benefiting the children of the state.

The three-fold purpose of the state observance is first, to have a better informed membership; second, to interpret the movement to the general public that cooperation and interest may be secured by the organization; and third, to provide a firmer financial standing.

Special Staff

Mrs. C. C. McDonald of Bay St. Louis, state P. T. A. treasurer, is general editor of this special P. T. A. edition of the Echo. Her assistants are: Mrs. Harold Weston, former county chairman and Mrs. L. W. Jacobs, members of her reportorial staff follow: Mrs. J. B. Goldman, Bay St. Louis, Central School; Mrs. S. W. Prange, St. Joseph's Academy, Bay St. Louis; Mrs. W. W. Stockstill, Taylor, Bay St. Louis; Mrs. R. L. Walton, Logtown; V. E. Weber, Waveland; A. B. Dubuisson, Lake-shore. The business manager is Mrs. Milton Phillips, Hancock County chairman, and her assistants are: Mrs. R. B. Logan, Mrs. Chas. Mitchell, Mrs. S. W. Prange, Mrs. Roger Boh, Bay St. Louis; Mrs. Bob Henley, Waveland; Mrs. Lela Wadsworth, and Mrs. Langar Otis, Logtown.

Issue Proclamations.

In cooperation with the state plan Governor Sennett Conner issued a proclamation setting aside the week of October 16-22. The Hancock Board of Supervisors of which Emilio Cue is president and the city of Bay St. Louis of which Chas. Traub, Sr., is mayor, have followed the example of the governor in issuing proclamations endorsing the work of the P. T. A., and these three proclamations are printed below.

Governor's Proclamation

The child life of a state is its greatest undeveloped resource, its gravest responsibility and most challenging opportunity, therefore, I, as Governor of the State of Mississippi, call upon fathers, mothers, doctors, teachers, the churches, and lay organizations, the officials of government in state, counties, and towns, also the public press, to cooperate with the state's greatest child welfare agency The Mississippi Congress of Parents and Teachers in a statewide observance of State P. T. A. Week (Childhood and Youth Week), October 16-22.

This is a voluntary, non-political, non-commercial, non-sectarian group, the objects of which are:

To promote child welfare in home, school, church, and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children.

To bring into closer relation the home and the school that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united effort as will secure for every child the highest advantages in physical, mental, moral, and spiritual education.

The unselfish service of this organization is of inestimable benefit to the child life of the state and every patriotic citizen is urged to

THE SEA COAST ECHO ENTERS ITS 41th YEAR OF SERVICE TO COMMUNITY

THE Sea Coast Echo was founded in Bay St. Louis, January 9, 1892, by Chas. G. Moreau who has published it continuously ever since, outside of Christmas week missing only one issue during that long period and that was on the occasion of visitation of sorrow to the home of the publisher, and when the entire force of the newspaper was stricken.

The Echo has ever stood for a constructive policy believing first in its immediate community and its people and surrounding territory, as well as for the State and South.

The Echo is one of the oft quoted newspapers in the state of Mississippi. Its publisher is not the oldest in years but the longest over a period of years as member of the Mississippi State Press Association, and also a member of the National Editorial Association and present president of the Mississippi Coast Press Association.

This Echo generally is conceded to be one of the representative weekly newspapers of the state and its typographical appearance and arrangement has been commented on frequently by journals of the newspaper fraternity and printing trade.

The Echo was the first newspaper known to run a school page, or school notes. Prior to the time The Echo inaugurated this feature no newspaper ran such a column or page. The

publisher first suggested it to St. Stanislaus College. Chas. G. Moreau, also a member of the Bay St. Louis school board, from 1906 to 1916, suggested the publication of a weekly newspaper for the city Central and High School. It was started November 1907, "The High School Idea."

The Echo was the first newspaper in Mississippi to own its own building of any size or pretension. The Clarion-Ledger, of Jackson, Miss., was the second. The late publisher Col. R. H. Henry visited Bay St. Louis for the purpose of viewing the Echo building. He said at the time that no other newspaper in the state owned a regular newspaper building.

Mr. Moreau the editor and publisher of The Echo, has been identified with all phases of civic life in his town and community. Several years ago a local attorney paid a tribute to Mr. Moreau which is indicative of the esteem in which he is held by his townsmen, when he said that the friends of whom Mr. Moreau had made when he first moved to Bay St. Louis are his friends today. Certain public honors have come to him which attest his personal popularity, and leadership ability, fine community spirit, and business acumen. For example, at present he holds the following offices: president of the Bay St. Louis Chamber of Commerce; president of the Merchants Bank &

Trust Company; president of the Peoples Building & Loan Association; president of the Bay St. Louis Rotary Club; and president of the Mississippi Coast Press Association.

The Hancock County Parent-Teachers' Association which is editing this issue of The Echo, through the courteous cooperation of Mr. Moreau, takes this opportunity to state how deeply is appreciated not only this gesture on his part showing his interest in child welfare, but also his continuous interest through all the years in those things which meant the advancement of childhood and the wonderful generosity in unlimited space in the Echo given to all matters pertaining to the P. T. A. and its activities.

A TRIBUTE TO THE STAFF.

The P. T. A. workers who have been concerned with "getting out" this issue of The Echo pay their tribute of thanks and appreciation to the staff of The Echo for the excellent assistance rendered in all phases of the work, namely, John Mollere who has been connected with the Echo office for 20 years, shop foreman; John Damborino, bookkeeper, who has been with the Echo 11 years; Henry Heitzman, assistant in the shop, with the Echo 6 years; and L. S. Elliott, linotypist, now in his 4th year with the Echo.

Huge Task of Nurses

Red Cross public health nurses, who work in hundreds of communities, are meeting the greatest demands in history for their services, due to the depression. Visits in maternity cases, protecting the health of infants and children, and aiding mothers in distress due to unemployment of the bread-winners have taken them into thousands of homes. The nurses made 1,567,000 visits to or on behalf of individuals, and inspected 949,000 school children. More than 58,000 adults were instructed in home hygiene and care of the sick.

HISTORY OF HANCOCK COUNTY PARENT-TEACHER ASSOCIATIONS

BAY ST. LOUIS P. T. A.

PRESENT Bay Central Parent-Teacher Association was organized in the fall of 1920 as a Mother's Club, at the instigation of Miss Celine Fayard, Mrs. E. J. Gex, being the first president. The Mother's Club was, in this first year, affiliated with the State and National Congress of Parents and Teachers, the most important business being that of "getting started."

In the years since its organization, the Parent-Teacher Association has accomplished many projects, such as the collection of books for the school library; a community Christmas tree; a clinic, and the organization of a Mothers Club at Taylor school, in 1922-23.

In 1924-25 the library was brought up to the State standard; new by-laws adopted; a district meeting was held at the Court House and Mrs. Donald Marshall and Miss Von Droszkowsky represented the Association at the State Convention.

In 1924-25, improvements to the play-ground were managed and financed, and a group of 20 pupils taken to the Field Meet.

The Gold Seal for a Standard Association was awarded by the State Congress. The main achievement for the year 1925-26 was the further improvement of the play-ground and the purchase of athletic equipment; also the financing of athletic trips.

1926-27 saw the first milk fund raised, and money was donated by the Association toward the equipment of the Home Science Department in the new school building.

In 1927-28, the efforts of the Association were centered upon the furnishing of the new school building and the improvement of the grounds, and the first summer round-up was held with marked success. The outstanding achievement for the year 1928-29 was the planting of shrubs on the school grounds. The full quota of membership was attained.

In 1929-30, athletic equipment and trophies were supplied and a rest room for the teachers furnished, with a medicine cabinet installed. A dental hygiene program was also carried out successfully. The State Convention, which met at Gulfport, was entertained at tea.

1930-31 saw the continuance of the dental hygiene work, and milk and crackers were furnished to a large group of underprivileged children. The District P. T. A. was entertained, with a registration of 185 members.

In the past year, 1931-32, attention was centered upon child round-up, and milk being supplied to a group of the undernourished children, as well as books and clothing when needed. A George Washington Memorial tree was planted, with fitting ceremony, on the school lawn.

The present year has already been marked by a successful membership drive, launched by an impressive parade of all the schools in early September. Books and clothing have been given, and money-making plans are under way.

Funds for these accomplishments have been raised by the membership through the staging of plays, minstrel shows, etc.; through card parties, Easter Egg hunts; the sale of advertising space on the drop curtain in the school auditorium; a benefit picture show, and the sale of vanilla extract, as well as through regular dues and private gifts. In one year the Association collected a total of \$1200, and other years have been similarly successful.

The presidents have been as follows:

1920-21, Mrs. E. J. Gex.
1921-22, Mrs. R. L. Breath.
1922-23, Mrs. R. L. Breath, re-elected.

1923-24, Mrs. Donald Marshall.
1924-25, Mrs. H. U. Canty.
1925-26-27, Mrs. Donald Marshall.
1927-28, Mrs. C. C. McDonald.
1929-30-31, Mrs. J. A. Evans, re-elected.

1931-32, Mrs. R. B. Logan, re-elected.

The Bay Central Association has been officially represented at the State conventions every year but one, the expenses of one delegate usually being paid from the treasury. State and National standards of excellence and achievement have been gained and held, and membership steadily increased.

TAYLOR SCHOOL, BAY ST. LOUIS

In 1922-23 a Mother's Club was organized. When Miss Rita Breath, (Mrs. Roger Boh) was principal of the school.

In 1926 the mothers of Taylor school under the direction of Mrs. W. W. Stockstill met and organized the Taylor School P. T. A. There were 10 charter members with Mrs. Solomon as president.

Among some of the big things done by the association during its years of existence are: installing a radio in the school; sponsoring the kindergarten orchestra which is affiliated with the State Federated Music Clubs; purchasing library books to the amount of \$60 and maps to amount of \$21; playground equipment and many other little things too numerous to mention.

The following ladies have served as presidents: Mrs. Solomon, Mrs.

Green, Mrs. Randolph, Mrs. Green and Mrs. Sick.

LEETOWN

Leetown Parent-Teachers' Association was organized recently under the sponsorship of Mrs. C. C. McDonald state treasurer and Mrs. Milton Phillips, Hancock county chairman, both of Bay St. Louis who met with the patrons of the Leetown school and explained the purpose of the P. T. A. and its methods of work.

Eleven charter members were enrolled and already this original group has laid plans for increasing the membership.

FLAT TOP

In November of 1931 Mrs. Harold Weston and Mrs. W. O. Sylvester met with a most enthusiastic group of people of Flat Top community and organized a Parent-Teacher Association. The following officers were elected: Mrs. John Wheat, president; Mrs. Sam Martin, vice-president; Miss Elva Henderson, secretary.

Ten members joined the State and National while this is one of the smaller associations the people are very interested and with the same officers elected for 1932 and 1933 expect to make much progress. They gave evidence of their loyalty and interest by bringing more than twenty to the community rally Tuesday at the Bay High school.

LOGTOWN

In the early days of 1910, the ladies of Logtown organized what they termed a Mothers' Club the purpose of which was to confer with the trustees and teachers of the local public school in behalf of the school children—especially those children whose parents were not able to adequately clothe them and furnish the necessary school books.

The work of this little organization from the beginning was a success, the trustees and teachers finding it to their advantage to cooperate with these good women in their unselfish labors. Quite some relief was given to the children in need of physical as well as mental attention, and this service was also extended to children of the town not attending school.

Among those who were at the head of this little organization during its existence were Mrs. Conie Weston, Mrs. John Baxter, Mrs. Lauretta Koch, Mrs. J. S. Otis, Mrs. Luther Russ, Mrs. Marion Weston, Mrs. J. D. Joper, Mrs. David Weston, Mrs. John Weston and others.

The club met every Friday afternoon with the teachers. The monthly dues while small, were supplemented by additional funds pro-rated by the members, the proceeds of which were wisely disbursed in the interest of the children and the school.

In 1917 the club disbanded, the entire membership merging into a local P. T. A. which went into effective organization, with assistance of Miss Thomasine Lutken, Miss Susie Briggs (Mrs. Harold Weston) and Miss Edna Simmons, its first president being Mrs. Mabel Segura as Secretary. From that date to the present our P. T. A. has been an absolute success.

The following have served as president during the life of our P. T. A.: Mrs. L. K. Russ, Mrs. J. E. Baker, Mrs. D. R. Weston, Mrs. Victor Casanova, Mrs. Rillma Fountain, Mrs. Luther Russ, Mrs. Harry Hall, Mrs. Roy Baxter, Mrs. C. L. Marquez, Mrs. Harold Weston, Mrs. Lamar Otis, Mrs. Frances Casanova, Mrs. Sam Lott, Mrs. Arthur Marshall Mrs. Clem Weston, Mrs. George Bennett.

It is needless to say that our P. T. A. has done wonderful work in the community. The school buildings have been renovated, painted, new hand-me-down desks installed, new school rooms added, sanitary conditions improved, including drinking fountains, better lighting facilities with more windows added, complete laboratory installed for teaching of chemistry and science—all at the expense of the P. T. A. and under the direct supervision of various officials and committees appointed from time to time.

The monthly dues are negligible, entertainments have been given to meet the demands and the organization has managed to keep out debt and through its aid, advice and valuable assistance it has successfully solved many difficulties for the various teachers as well as the trustees in the years past.

In addition to bettering the conditions in and about the grounds, buildings, etc., a large and complete standard library was installed which includes rare volumes classics and modern fiction, together with necessary maps and charts as well as valuable and beautiful paintings which adorn the walls of the various school rooms.

LOGTOWN

OCTOBER MEETING LOGTOWN
P. T. A.

The second meeting of the Logtown Parent-Teacher association for the year 1932-33 was held at the Methodist church Monday evening at 7:30. The meeting was called to order by the president Mrs. Lamar Otis. The Rev. R. L. Walton conducted the devotion. After much routine business Mrs. George Bennett resigned as treasurer and Mrs. Will Lawrence was elected. The following were appointed by the president as grade mothers to visit the school for the month of October: Primary Work, Mrs. C. W. Fountain; 2nd and 3rd grades, Mrs. Floyd Boote; 4th and 5th grades Mrs. Emily Lott; 6th and 7th grades, Mrs. Will Lawrence; 8th grade, Mrs. Arthur Marshall.

The following compose the committees for the year: Mrs. Vernon Arendale, Mrs. G. O. Kerr, and Mrs. Arthur Marshall.

Membership committee: Mrs. Will Lawrence, Mrs. Emily Lott, and Mrs. George Bennett.

Publicity committee: Mrs. R. L. Walton, Miss Caro Weston, and Miss Florence Russ.

Hospitality Committee: Mrs. Alec Campbell, Mrs. D. L. Russ, and Mrs. W. A. McQueen.

A very interesting and instructive talk was made by Prof. Arendale, principal of the school on the subject "Know Your School." Little Miss Thelma Otis delighted with a solo accompanied by her mother, Mrs. Sid Otis. Mrs. Arthur Marshall read a paper. The school system can be improved.

The following are the teachers for the year: Prof. V. B. Arendale, Mrs. V. B. Arendale, Miss Florence Russ, Mrs. W. A. McQueen and Mrs. Geo. Bennett.

The young peoples' department of the Methodist church held their Sunday evening meeting at six thirty o'clock with a very good attendance. At the recent reorganization the following were elected officers: Miss Ruth Campbell, president; Miss Beulah Tones, secretary; Miss Minnie Otis, treasurer.

Mr. and Mrs. John Weston left Monday morning for Birmingham to visit their son-in-law and daughter Mr. and Mrs. H. H. Robinson.

Miss Ethel Otis is visiting Miss Leila Evans in Gulfport.

The Girl Scouts held their regular meeting Friday evening at the Scout house. Miss Caro Weston is Scout leader.

A truck load of parents, teachers and children went to Bay St. Louis Tuesday evening to a County-wide meeting of the P. T. A. Several Logtown children helped in the entertainment by giving a little play entitled, "Mock P. T. A. Meeting."

**Mrs. R. B. Logan is
Speaker Before Rotary**

The Rotary Club held its usual meeting, Wednesday at the Hotel Weston with almost 100 per cent attendance. John McDonald, vice-president, presided in the absence of President Moreau.

Carrying out the general observance of Childhood and Youth Week, and Mississippi Parent-Teacher week, the speaker of the day was Mrs. R. B. Logan, President of the Bay Central Parent-Teacher Association. Mrs. Logan told in a very interesting manner of the need for child welfare work and urged the active interest and cooperation of every Rotarian. Guests for the occasion, in addition to Mrs. Logan were Mrs. Milton Phillips, County Chairman of the P. T. A., L. S. Elliott and Rotarian Walter Scott of Mobile, Ala.

**Columbus Day Observed
At Lakeshore Chapel**

An entertaining program was presented in the chapel at the Lakeshore school by Miss Ethel Sylvester's pupils on Columbus Day, October 12. The play told the story of how Columbus discovered America. It was a good lesson in history.

**Death of Respected
Colored Citizen**

E. J. Ishem, a native of New Orleans but a resident for most of his life of Bay St. Louis, died Tuesday morning in New Orleans at the Marine Hospital, at the age of 62. He was a carpenter by trade and was well thought of in the community. He is survived by three daughters, a son and a number of grand children. He was buried in St. Mary's cemetery, Thursday morning, at Bay St. Louis.

Acquittal Assured.

"Your offense is a serious one," said the judge, "and if you are convicted it will mean a long term in prison. If you cannot employ a counsel the court will appoint one for you."

The prisoner leaned toward the judge and in the most confidential manner whispered, "I have no lawyer, but it's all right, Judge; my tailor and landlady are on the jury."

Deaths

Joseph Capdepon Dies.

Joseph Capdepon, 66 years old, died at his home in McDonald street, Monday, 12:55 p. m. He suffered a stroke September 1 and has been ill since that time. The deceased was born in New Orleans but was reared in Bay St. Louis and lived here since his youth. For many years he was employed by the city, having served for the past 14 consecutive years and on various occasions preceding that time. The funeral was held Tuesday afternoon with a service at the Methodist church, Rev. C. C. Clark, pastor, officiating. Interment was at Cedar Rest cemetery.

One son, Anthony F. Capdepon; one daughter, Miss Flora E. Capdepon; seven grandchildren, Florence Finhold, Leontine Rita, Frederick F. A. D. Zaidie Elinne, Joseph B. and Luella Edonne Capdepon; one brother, Leon B. Capdepon; and two sisters, Mrs. James Mitchell, and Mrs. Frederick Banderet, Sr., survive, all residing in Bay St. Louis except Mrs. Mitchell who lives in Logtown.

Death of Chas. Marquez.

Logtown and the surrounding community were saddened by the death Sunday of Charles Marquez at his home in Picayune Miss. Mr. Marquez, a native of New Orleans has resided most of his life in Logtown, where he had been an employee of the H. Weston Lumber Co., until the mill closed down, at which time he and his family moved to Picayune.

Mr. Marquez was an outstanding citizen, a member of the Baptist church, a Knights Templar and had held every office in the Blue Lodge and had served as Worthy Patron of the Eastern Star. He was identified with every activity of the town which was constructive and was held in high esteem by his friends and fellow townsmen.

He is survived by his wife, who was Miss Hester Jones, three sons and a daughter. Funeral services were held in Picayune Monday afternoon and burial took place in the Logtown cemetery. Those from Bay St. Louis attending the funeral were Mrs. Leo W. Seal, Mrs. Ella B. Maybin, Mrs. Richard Koch and Miss Irma Koch.

Mrs. John Bennett Dies.

Mrs. Clara Bennett, wife of John Bennett, aged 43 years, died at her home in Slidell Saturday, and was buried Sunday afternoon, 3 o'clock, at Pearlpoint, with the Rev. R. L. Walton, Methodist pastor from Logtown, officiating. The deceased is survived by her husband, nine children, her father and three brothers.

House Is Burned

The home of J. M. Summersgill of Nicholson avenue was destroyed completely by fire Monday night. The origin of the fire is unknown. It is understood that the family was in New Orleans at the time of the fire. There was \$1,700 insurance on the house and \$300 on the furniture.

MEETING OF LADIES DEMOCRATIC CLUB HELD

On Friday, 14, a meeting was called by Mrs. E. J. Lacoste, County Democratic Chairlady, for the purpose of organizing a unit of the Ladies Democratic Club in Waveland.

Mrs. E. G. Schwartz was elected chairlady of the group, with Miss Dorothy Wells as secretary. The following ladies were present: Mesdames Schillings, Mapp, Henley, Johnson, Laudon, Danimer, Zimmerman, Bradbury, Donnelly, and Cornell.

SIXTY DISASTERS IN 1932 ADD TO NATION'S DISTRESS

Red Cross Spends \$2,760,000 To Help Victims of Catastrophes.

In a year of great misfortune caused by economic depression, in which the American Red Cross assumed heavy burdens of relief for the unemployed, the organization also responded to emergency needs in 60 disasters in the United States and its insular possessions.

During the twelve months ending June 30, 1932, the Red Cross gave aid to 76,000 families totaling 385,000 individuals, with expenditures of \$2,760,768. These people were in distress because of drought, flood, forest fire, tornado, snowstorm, mine explosion, or other similar great disaster.

Prolonged drought caused the Red Cross to go with help to 65,000 families in the northwest. There in 144 counties in North and South Dakota, Montana, Nebraska, Washington and Iowa the Red Cross spent \$1,980,000 from its own treasury to feed and protect people through the winter and spring.

Other grave disasters were floods in southeastern states, where the organization spent \$192,000 from its treasury and \$66,000 local contributions to help 13,000 persons.

More than 50,000 people were homeless from floods in tributaries of the Mississippi river and again the Red Cross faced a long relief task, aiding these people. The national organization gave \$108,000 and local contributions were \$10,000.

The Red Cross always maintains a state of readiness to meet these sudden emergencies, and funds and other essentials to this work are supplied, in part, by the annual roll call, held each year from Armistices Day to Thanksgiving Day. Every citizen can support this worthy activity through joining as a member in the local Red Cross chapter.

Returns From New York.

Walter Gex, Sr., returned home last week-end from two weeks' business trip in New York City. He made the trip to represent some local people, heirs to the huge fortune left by Ida Woods, the eccentric recluse who was discovered to be a very wealthy woman. While in New York Mr. Gex conferred with certain of the Democratic leaders relative to the political situation, and visited Senator Pat Harrison who is working at national Democratic headquarters in New York. Mr. Gex attended the two games of the World's Series of baseball played in New York.

Taylor School Activities.

Taylor School of which Mrs. W. W. Stockstill is principal, is progressing nicely. Although a small school every phase is operating excellently for the benefit of the pupils. There are three grades being taught. All of the special days will be observed during the year. At present plans are being made for a Halloween party. A program for Thanksgiving Day is in process of construction.

Music Club Rehearses

Several rehearsals have been held by the Schubert Music Club in preparation for the program to be given on the latter part of this month. As is usual this program will be invitational to the friends of the members. Mrs. E. Lacoste is directing the club and some fine work is being accomplished.

Something Worth Figuring.

School Visitor—You encourage your pupils to take an interest in professional baseball?
Teacher—Yes, indeed, I find that they improve wonderfully in their arithmetic after figuring up batting averages.

WHY JOIN THE STATE AND NATIONAL.

ONE of the most frequent questions, we have to answer in connection with Parent-Teacher work is, "Why can't we function as a small local group and not join the State and National?"

First of all, experience has shown that very few local groups, so organized, survive for more than a year or two. It takes the constant ideas, plans and programs of the larger group to furnish inspiration and material to local groups. Again, it is the old story of "In Union there is Strength." The familiar fable of "The Bundle of Sticks" illustrates our point. A small child can break one stick but when two dozen are tied together, even a strong man can't break them. Even so, a small local group of twenty-five, fifty or a hundred may not have much influence, but when we take into consideration the million and a half members throughout the nation, the people must listen, and we find the opinion of the National Congress of Parents and Teachers respected and referred to.

The Mississippi Congress of Parents and Teachers is made up of all Mississippi local associations and asking why one needs to belong, is just as if one said, "My name is Mary Jones but why must I belong to the Jones family?" You are a part, already, and whether you contribute in any way to the support depends on the sense of obligation or responsibility you feel. It is very likely that your president, if you have a live, active association, received much of her enthusiasm, interest and knowledge of the work from the state Convention. Probably the help in your projects comes from county or state officers, who have in turn gained their background and information from conferences, board meetings and conventions. It may not have occurred to you that all of this is possible because of the state and national organizations.

Other direct benefits received are literature, program helps, hand books to guide a new group which will help them avoid many of the pitfalls of a new organization; a central office and executive secretary, who is the only paid officer in the state organization and who is busy from eight to ten hours a day, carrying on the detail work and answering letters and requests; plans of procedure, leaders for schools of instruction and speakers who keep in touch with all phases of work of the organization.

The 25c fee, per member, which is the basis of membership in the State and National is one of the smallest of any organization. All unnecessary machinery and expense are cut out. A local association which is not a member of its state and National Congress tends to become narrow and selfish and is likely to miss many of the best things and the broadening movements of the larger group.

POLICY OF NATIONAL CONGRESS OF PARENTS AND TEACHERS

THE National Congress of Parents and Teachers is non-sectarian, non-commercial and non-political.

Child welfare is promoted by all creeds. Congress parent-teacher associations are working effectively in public, private, parochial and church schools.

The Congress does not lend its name to any commercial activity, however worthy in itself. Commercial interests are not allowed to make use of the organization's name or prestige.

The Congress believes that every member of the association should be an informed citizen doing his part as an individual to meet his civic responsibilities. It is non-partisan and lends its name and efforts only to non-partisan movements whose purpose is the welfare of the child. Care taken to avoid entangling alliances with political activities not in strict accord with the fundamental purposes of the parent-teacher movement. The great service of the organization is a constructive service and in the end the Congress will accomplish much more by keeping itself free from controversies which may leave an aftermath of ill will and discord.

A HEALTHY SIGN.

THE very large vote polled in the recent primaries for city officials was an encouraging indication of a wide interest in affairs of government. There has always been criticism and just criticism, that the better element is apathetic and does not put behind its candidates or its questions, sufficient energy and organization. The same criticism has been made of the women's vote that not a large enough percentage of women, took the trouble to vote.

It is every citizen's privilege and responsibility to exercise his right to vote. A citizen has no right to complain of taxes, public works, or the management of local or national affairs, if he does not back it up with his vote. It was therefore very gratifying, that one of the largest votes, in the history of city elections, was polled.

Hunters who fire at the bushes, when they move, are those who kill their companions.

Small towns become big towns when their people work together and put the home town first.

It's not too late for a subscriber to pay his subscription during October, giving the editor and himself something to be thankful for.

OPINIONS OF EDUCATORS.

NATIONAL Education Association at their 1932 convention adopted the following resolution in regard to the Parent Teacher Organizations:

"The Department of Superintendence acknowledges with gratitude the splendid spirit of cooperation and of helpfulness shown by the national, state, and local parent-teacher associations and urges upon boards of education and superintendents of schools the necessity for even closer relationship with this splendid organization."

"In addition to his duties as organizer and administrator of his school, and as supervisor of instruction therein, it will be necessary for the principal to act as coordinator of his school with the community he serves. First of all will be his contacts made in the interest of the children. These are sure to involve his connections with the parent teacher association of the school. Here he must act as organizer and guide. He can do no better in this connection than to cooperate with the National Congress of Parents and Teachers. Every school should have a parent-teacher organization."—William John Cooper, Commissioner of Education of the United States. Reprint from the Bulletin of the Department of Elementary School Principles, 11th year Book.

"The Parent Teacher Association movement is a cooperative educational project which should challenge the interest of all school officials. Modern educational practices make necessary the conscious intelligent participation of parents in the education of their children. The parent-teacher association at its best is an excellent vehicle through which the parents may get a better understanding of the problems of their children, of pre-school, grade-school and high-school age; through which the schools may be interpreted; and through which the community may be informed of the needs, problems, and program of the school."—Ellen C. Lombard, Associate Specialist in Home Education, United States Office of Education.

For the teacher to do the best work, he or she must have the cooperation of each parent and pupil, she must have an understanding of the child and its home conditions. There is no better way to secure this knowledge than through the local Parent Teacher movement, and would like to see an organization in every rural school in the county. During this period of world wide economical instability we need every available aid to carry on the educational work and, in my opinion, the local Parent Teacher organization is the one organization through which we can secure the proper understanding and financial aid to carry on our great work.—A. S. McQueen, County Supt. of Education.

In my opinion there is no organization so closely allied with the work of public education as that of the Parent-Teacher Association, and certainly none that is in position to be of more real service to the teacher than this organization. I am sure that the services of a well directed P. T. A. is needed in every school.

The work of the P. T. A. of the Central School has been of inestimable value, and has always been that of cooperation and not one of interference.

I would be glad to see an active P. T. A. in every school in Hancock county.—S. J. Ingram, Supt., Bay St. Louis City Schools.

A GROWING ORGANIZATION.

THROUGHOUT this week, which is Parent Teacher Week in Mississippi, Parent Teacher Associations are being organized where there are none; more members are being sought where P. T. A.'s are already active.

What is a Parent Teacher Association? A group, or unit or service, working for all the children of all the people.

How large is the movement? There are 20,079 units and over 1,393,454 members in the United States. There are over 247 units and over 9,000 members in Mississippi.

What are the Aims of the Parent Teacher Association? 1. To promote child welfare in home, school, church and community. 2. To raise the standards of home life. 3. To bring into closer relations the home and school. 4. To develop community responsibility for its part in the education of its children.

Not only parents and teachers but every citizen should join a P. T. A. in order to know what wonderful things your school is doing and to subscribe and provide intelligently for the training of our future citizens.

Join the Parent Teacher Association in your school community. If there isn't one, be a moving spirit to get one going. Do it now! Hancock county now has active associations in the following schools:

Bay St. Louis, St. Joseph's Academy; Bay St. Louis, Central; Bay St. Louis Taylor; Waveland, Lakeshore, Logtown, Flat Top and Leetown.

THE HOME AND THE SCHOOL

WE believe in the home as the most significant institution developed by mankind for the maintenance and development of social welfare.

We believe in the school as the best agency yet created to serve the home, supplementing it and cooperating with it in the noblest work of the world, the building of human character.

We believe in the parent whose unselfish love for, and interest in, the child makes possible the fulfillment of an ideal.

We believe in the teacher whose faith in the future never dies; who places service to youth above all things material; whose love of the child transcends all save that of his mother.

We believe in the child, the inspiration of today, the hope of tomorrow, the binding of parents, the soul of teaching, and so we believe in the Parent-Teacher Association; not as an organization of parents created to supplement the school in a task beyond it, not as an organization of teachers created to lessen their load, but as an organization of parents and teachers created by these, in the interest of their most priceless possession, the child.

Benjamin O. Wist, President, Territorial Normal, school, Hawaii.

WITH THE STATE PRESS.

LEADER.

DIXIE is rapidly taking her rightful place as the capital of the textile industry.

Not so many years ago, the New England states claimed the majority of all mills, but not now—

The Manufacturers Record shows that mills in the South used 4,035,000 of the 4,966,000 bales of cotton consumed by American plants during the year ending July 31.

Southern states now have 1,750 individual textile mills—939 for spinning and weaving; 423 for knitting; 88 for dyeing and finishing; 50 for the manufacture of rayon materials, and 84 for production of silk products.

A net gain of more than 1,500,000 spindles is reported for Dixie since 1925.

Compared with 1931, southern textile mills showed a decrease in consumption of cotton of only 2 per cent, as contrasted with a 25 per cent decrease for mills outside the south.

The value of textile production in the south was given as \$965,000,000 in 1929 with \$595,000,000 expended for materials, fuel and power.

Of the nation's spindle total—22,022,000 in August—74 per cent were operating in southern states.—Meridian Star.

WORN-OUT AUTOS CAUSE MANY HIGHWAY ACCIDENTS.

ONE of the advertised features of the North Mississippi Fair at Grenada will be a "Junk Classic," a 10-mile race between cars whose value does not exceed \$15, the course being partly over a race track and partly over rough territory.

It should be an entertaining affair. It would be a good thing, however, if all such old wrecks could be entered in one race and permanently junked at the end of it.

Their removal from the highways would prevent many accidents and reduce the highway accident toll. Thousands of such, on the highways, are not safe for drivers, passengers, or people in other cars.

Few have workable brakes. Many have defective steering gear. Most of them run on worn-out and dangerous tires.

They slow and block traffic and force an abnormal and dangerous number of "turn outs" by other drivers.

The highways would be much safer if all such cars were condemned. But we don't know of any way it could legally or justly be done.

The owners do not drive such cars from choice. They can't afford new or better ones. Many of them really need motor transportation. The rickety old cars provide others, their only means of getting to town and about their county. So they patch and tinker them to get the last mile out of them.

You can't blame them. But these thousands of rolling wrecks constitute a highway problem and menace.—Daily Clarion-Ledger.

HOT DOG!

WHEN textile mills are forced to run day and night and then keep far behind in filling orders; when the mill workers get a 10 per cent increase in pay; when more employers are added to the rolls—then conditions must be improving and no fooling.

This is exactly the situation in Georgia, according to announcement from manufacturers in that state.

Cotton mills, woolen mills, paper mills, leather goods factories and plants manufacturing other lines of merchandise all report unfilled orders and full-time operations with increased payrolls.

These changes in conditions indicate one thing above all others—people are buying again. If they were not, there would be no demand for new goods because merchants would have no use for heavy stocks unless the trade was ready to buy.

The business wheel is picking up momentum every day. You may not feel it definitely in your own affairs, and your neighbor may still believe the country is going to crumble after three years of decay. But nevertheless, the signs show that times are getting better as clearly as leaf buds prove the sap is rising.—Hattiesburg American.

GOOD SIGN.

HOTELS, which are generally pretty fair barometers of business conditions, are reporting return of the traveling man, who has been conspicuously absent from his usual rounds for a long time.

The traveling salesman, hotel managers, declare, is a harbinger of prosperity when he travels and they say he is traveling again.

Officials in several of the biggest and best hotels in the country recently announced a sharp increase in the number of traveling salesmen registering for rooms and sample trunk accommodations.

More of the old faces were back again while new ones were coming in steadily and the optimism these traveling salesmen expressed was supported by the orders they are writing.—Hattiesburg American.

HISTORICAL FACTS OF MISSISSIPPI CONGRESS OF PARENT AND TEACHERS.

A Branch of the National Congress of Parent and Teachers.

Organized: First Local Unit, Hattiesburg, State Branch—Crystal Springs, 1909.

Founder—Mrs. R. B. Stapleton.

Charter Associations: Hattiesburg, Gulfport, Brookhaven, Poplarville, Natchez.

The Parent Teacher Association is a fact-finding opinion-making group and therefore its influence cannot be tabulated, but under leadership of most capable presidents the organization has attained marvelous growth and the people of Mississippi have become awakened to its high purpose and the childhood has been exalted.

Presidents:

1909-1914 Mrs. R. B. Stapleton.
1914-1917, Mrs. J. B. Lawrence.
1917-1922, Mrs. H. P. Hughes.
1922-1932, Mrs. L. H. Yarbrough.
1929-1932, Mrs. W. D. Cook.

State Headquarters: 205 Capital National Bank Building, Jackson.

Support: Derived principally from annual per capita dues of 25c for State and National and from Birthday gifts on State P. T. A. Day and Founders Day.

Official Organ: Mississippi Parent Teacher Magazine, 50c per year.

Highlights of Accomplishments

1916—Inaugurated movement and requested legislation for the establishment of a school for the mentally defective children of the state, now the Ellenville State School.

1917—Promoted legislation to secure school for delinquent children, later reestablished at Columbus as the Industrial Training School.

1917-18—Devoted to war work, particularly Child Welfare, the President serving with Women's Committee of National Defense Council. County libraries promoted.

1924—National recognition given Mississippi by making State Publicity Chairman, Mrs. J. A. Loebl, Division Manager of the National Bureau of Publicity.

1925—First place in National Summer Round-Up contest, a campaign to send children to school 100 per cent physically fit, won by Barrow School, Columbus.

1926—Student Loan Fund started. Second place in National Summer Round-Up contest won by Marion Park, Meridian.

1930—National recognition given Mississippi in appointing Mrs. M. H. White, State Recreation Chairman as National Associate Recreation chairman, because of outstanding work achieved.

1932—National recognition for highest percentage of Diphtheria Immunization in Mississippi's membership class.

IMPORTANCE OF THE HOME GARDEN.

DURING this period of world-wide economic stability it is of prime importance that every farm family have a home garden. Especially is this true in this county, where a few years ago, lumber was the major industry, but now with closing of all lumber mills and disappearance of public work, a home garden will result in a big saving to the family. It is impossible to make an accurate estimate of the value of the vegetables which may be grown in home gardens.

A well-kept vegetable garden is a source not only of profit to the gardener but of pleasure to the entire family. For many vegetables which deteriorate rapidly in quality after being gathered the only practicable means of securing the best is to grow them at home. This is especially true of garden peas, sweet corn, string beans, green lima beans, and asparagus.

The land utilized for the farm garden if well cared for, yields much larger returns than any area of similar size planted to the usual farm crops. A half-acre garden should produce as much in money value as 2 to 3 acres in general farm crops. Of even greater importance than the money value of the products of the garden is the satisfaction of having a bountiful supply close at hand, where they can be secured at moments notice.

Vegetables and fruits furnish a large part of the essential salts which are absolutely necessary to the well being of the human system, so that the value of the vegetables in the diet is a great deal more than the mere food or money value. The need of tonics and other medicines in the spring is due largely to the lack of vegetables and fruits in the winter diet. If more succulent food were available, less money would be spent in doctor's fees and for medicines.

The garden plot should be a soil rich in humus matter and plant food.

Good drainage is of prime importance. The land should have sufficient fall to drain off surplus water during heavy rains, but the fall should not be so great as to wash the soil. If the land is level, ditches or tile drainage is necessary. The better the drainage and preparation the greater the quantity of plant food that may be economically used. Deeply broken, finely pulverized soil favors rapid multiplication and development of roots and enables them to travel rapidly in search of food.

The size of the garden depends upon the number of persons to be supplied. Just what vegetables are to be grown depends, of course, on the individual tastes of the family.

Poor seeds are expensive even as a gift. Gardeners cannot afford to waste soil and labor on poor stands. A planting program will be furnished upon application to this office.

Participates in Programs.

Mrs. C. C. McDonald of Bay St. Louis, state treasurer of the Mississippi Congress of Parents and Teachers was the guest speaker Thursday night of last week before the Long Beach P. T. A. at its community rally. Mrs. McDonald conducted the national correspondence study course of the P. T. A. for Harrison county Saturday of last week at the county court house and at which 19 completed the work for national certificates.

Birth Announcements

Mr. and Mrs. H. V. Wells, Jr., of Nashville, Tenn. announce the birth of a daughter Sunday night. Mrs. Wells was before her marriage Miss Dorothy Overall, the sister of Mrs. C. C. McDonald of North Beach Boulevard, and is well known here where she has visited.

Mr. and Mrs. Bidwell Adam of Pass Christian announce the birth of a son Monday night. Mr. Adam is former lieutenant-governor. The new arrival adds one more to the already happy family of two other sons.

TWO AGAINST THE WORLD' DRAMA WITH CONSTANCE BENNETT

Star Appears to Advantage
—To Be at A. & G.
Sunday and Monday

Never before has Constance Bennett appeared to better advantage than as the reckless darling of the social set, in the Warner Bros. production, "Two Against the World," at the A. & G. Theater, this Sunday and Monday.

Miss Bennett who in real life is the Marquise de la Falaise de la Coudray, fits naturally into the background of this drama. Her fine dramatic ability also finds expression in the intensely emotional court room scene in which she drags her own honor in the dust to save her brother from the consequence of murder and her married sister from scandal. When she asserts that she is guilty of indiscretions of which she is actually innocent, in the very presence of the man she loves, there is a suspense that holds the audience enthralled.

This is but one of the smashing climaxes in a picture that is filled with dynamic situations and dramatic sequences. The development in the character of a frivolous society girl into that of a woman who is able to make the utmost sacrifice of her honor and her love, is approached naturally and with a skill that justifies the revolutionary change.

Neil Hamilton, who made such a success in "The Sin of Madeline Claudet," "The Wet Parade," and "What Price Hollywood," takes the part of the young lover who is forced to prosecute a murder charge against the brother of the woman he loves, and to listen to her confession of guilt. He shows the polish of a finished actor in the way he handles this leading role.

The story is realistic and dramatic in the extreme, and gives Miss Bennett a fine opportunity to display her ability as an emotional actress. In the early scenes she romps through the picture as a haughty society girl with a grace and charm that is enchanting.

Engagement Announced.

Bay St. Louis friends are much interested in the announcement of the engagement and approaching marriage of Miss Myrtle Eleanor Pate and Mr. Joachim Vincent Correla, the wedding to take place Wednesday evening, October 26, 5 o'clock at Saint Thomas' church, Wilmington, Mass. The bride-elect is the daughter of Mr. and Mrs. Howard Wynn Pate, formerly of Bay St. Louis and now of Port Arthur, Texas and Boston; and the granddaughter of the late Leopold Bangard and niece of M. T. Bangard of Bay St. Louis. Miss Pate made her home in Bay St. Louis with her parents during her youth and young girlhood and has visited on the Coast often as the guest of her sister, Mrs. C. B. Foster of Gulfport. She is an accomplished musician and is a member of the musical organization known as the "Flying Bangards" composed of Prof. Pate, his daughter, and son, prominent in the musical world of the East.

NEWS OF BAY HIGH SCHOOL

Miss Bessie Givens, teacher of English at Bay High, announced the selection of the staff of the Student Prints, early last week. A writing-ability contest was staged and the winners were appointed to their respective positions on the paper.

This year's staff is divided into two sections: the business department, under the supervision of Miss Caperton and the literary department under the sponsoring of Miss Givens. The Student Prints staff follows.

Literary Staff.

Literary Editor, Benny Hays.
Managing Editor, Lois Ansley.
News Editor, Georgia Givens.
Assistants, Florence Keen, Grandson Bienvin, Edward Marquez, Elmore Jacobs.
Sports Editor, Earl Ramond.
Assistants: Truman Beeson, Curtis Ladner, Austin Baxter.
Feature Editor, undecided.
Assistants: Cathern Woodcock, Durante Du Ponte.
Art Editors, Joe Loiacano, Alton Erwin.

Business Staff

Business Manager, Virginia Baxter.
Assistant: Minnie Otis.
The Student Prints was organized by the class of 1930 and is a charter member of the Mississippi High School Press Association. Edith Ballard was editor of the first edition, which was submitted in the contest at Oxford, Mississippi, and won second place among all lithographed papers in the state. The following year Hertha Garcia edited the paper and last year it was under the charge of Ruth Ballard.

It is rumored that the organization of another school paper is under way, but we hope that a conciliation will be held before the final developments are reached.

Frank Beeson, former Bay High star end and flankman on the University of Alabama freshman football team, is coaching the Tiger line and the second team.

MISSIONARY SPEAKS TO METHODIST WOMEN AT TUESDAY'S MEETING

Miss Catherine Stevens, Home From Japan, Tells Of School and Customs

Miss Catherine Stevens, dean of the department of music of Hiroshima Woman's College, Japan, an institution conducted by the board of missions and the woman's work of the Methodist Episcopal Church, South, was the speaker Tuesday afternoon before the Woman's Missionary Society of the Bay St. Louis Methodist church. She is home on a furlough and is speaking this month at the Seashore Camp Grounds, Biloxi, with her mother. She told of the four departments of the school with which she is connected, namely, the kindergarten, grammar, high school and college. Also, she told of the customs of Japan, and at the close of her talk showed many curios from Japan.

Mrs. F. J. Nelson presented the devotional. Miss Irma Koch gave a reading, the Lord of Common Things. A quartet composed of Miss Mary Louise Renaud, Mrs. C. C. McDonald, Mrs. Henry Osolinach and Miss Irma Koch, sang, Give Me Thy Heart, and Mrs. Carl Smith played the piano accompaniment. Mrs. J. C. Buckley, president, presided. Plans were made for the Week of Prayer services Nov. 8-9, with programs at the church each afternoon at 3 o'clock. At the close of the meeting a social hour was observed during which party refreshments were served. The reception suite was decorated for the afternoon with beautiful dahlias, grown in the garden of Mrs. M. J. Bangard.

Confederate Reunion This Week-End, at Tupelo

The annual reunion of the United Confederate Veterans will be held at Tupelo, Thursday and Friday of this week, and a large number of Confederate soldiers and their wives from Beauvoir Soldiers Home will attend the meet. Major General Jacobs is commander of the state U. C. V. and will preside at the meeting. At the opening session welcomes will be extended by the Sons of Confederate Veterans and the United Daughters of the Confederacy. Joseph W. Havens, superintendent of Beauvoir Soldiers Home will give the response to the welcomes.

HISTORY OF HANCOCK COUNTY PARENT-TEACHER ASSOCIATIONS

(Continued from page 2)

the State P. T. A. since its organization, our representatives always attending the State meetings in which we have received honorable mention.

In conclusion we might add that we are the oldest P. T. A. organization in Hancock county.

ST. JOSEPH'S ACADEMY, BAY ST. LOUIS,

St. Joseph Academy P. T. A. was organized in March 1932 with twenty-two charter members. Mrs. Harold Weston, County Chairman, Mother Claire and Father Gmelch assisted in the organization. Although but lately established, the association has already done much for the welfare of the children of S. J. A.

The ladies in charge are especially anxious about the children whose health may need attention.

Quite a number of the children had their tonsils removed or had other minor defects corrected, as a result of the Summer Round-Up, in which the S. J. A., P. T. A. took an active part.

At present the P. T. A. is determined to help the underweight children reach the standard weight by providing them with milk.

If the organization continues as auspiciously as it has begun, we cannot doubt that it will be of the greatest possible assistance to the school.

SISTERS OF ST. JOSEPH.

HISTORY OF LAKESHORE P. T. A.

Lakeshore Parent Teachers Organization had its beginning in 1926. Mr. A. S. McQueen, principal of the school, and his three assistants worked together diligently to perfect this organization. They received help from the good mothers of the community. At their first meeting Mrs. J. P. Usher was elected president.

It always takes a good leader to carry on a good work such as the Parent Teacher Organization performs. Mrs. Usher proved to be that and more. Mrs. Dan Ladner succeeded her. The following year Mrs. Ed. Green was elected. Mrs. Charles Schwartz served the next two years. Mrs. Schwartz, not being able to do all she wished for her organization on account of illness and living away from the center of the community, resigned. Mrs. Wadsworth, who was vice president at the time of the resignation became president and is now serving the local organization.

All the presidents and a number of other officials whose names have not been mentioned have rendered a useful service. Though its membership has never been very large, Lakeshore P. T. A. has had some very faithful members who are always on the job.

The greatest undertaking of the organization each year is to sponsor a Christmas Tree for all the children of the community. All the toys and fruits are bought by the P. T. A. Some of the other work of the P. T. A. is as follows: Books have been added to the school library, the medicine kit has been filled, lamps for the auditorium were bought, a new flag was given to the school and good curtains for the stage were made by the members of the P. T. A. The P. T. A. also sponsors an Arbor Day each year. Shrubs, flowers, and trees have been planted on that day to help beautify the grounds. These are a few of the material ways in which the P. T. A. has helped to link together the

STATE CONVENTION OF KING'S DAUGHTERS AT JACKSON, OCT. 24-26.

Mrs. A. F. Fournier of Bay St. Louis, State Pres., Presides.

The 32nd annual convention of the Mississippi Branch of the International Order of the King's Daughters and Sons will be held in Jackson, October 24-26, with all sessions at the Robert E. Lee Hotel, and the complete program has been announced by Mrs. A. F. Fournier of Bay St. Louis, state president. The executive board meeting will take place Monday afternoon. The opening session will be held Monday night, at which time Mrs. Fournier will give her annual message. The guest speaker for the Monday night session will be Miss Nannie-Mayes Crump of Gulfport. The other speakers at this session will be Mrs. Earl Le Roy Brewer of Clarksdale. Following the opening session a reception will be tendered the delegates at the governor's mansion. Tuesday morning and afternoon and Wednesday morning will be devoted to business sessions, reports of officers and chairmen and various phases of state work. The annual banquet will be Tuesday night.

This convention is of special interest to Bay St. Louis residents in that the state president is a local resident, and also, last year's state convention was entertained in Bay St. Louis. A representative group of delegates is expected to represent the Bay circle at the convention.

THE CHILD.

We want the child in our midst, To develop as best we can; To grow in wisdom and stature, "In favor with God and Man." 'Tis ever the child shall lead us, 'Tis we who must understand, That to serve his highest interest We must be a united band. Let the teacher work with the parent. Let the home uphold the school. When these forces labor together We shall live in the Golden Rule.

school and the home. Now with Mrs. A. B. Dubuison as principal of the school, and Misses Ethel Sylvester, Clara Ladner and Mae Colson as assistants and with the cooperation of a number of other faithful members the organization is still in existence trying to carry out the good work begun by those mentioned before. An even greater program is planned for the session of 1932-33.

WAVELAND P. T. A.

After several unsuccessful attempts Mrs. A. F. Fournier and Mrs. W. O. Sylvester finally succeeded in organizing a Parent-Teacher Association at Waveland, on November 21, 1929, with twenty-one charter members. The following officers were elected:

Mrs. A. F. Fournier president; Mrs. Geo. Herman, vice president; Mrs. Robt. S. Henley, treasurer; Mrs. W. O. Sylvester, secretary.

The first real work was to secure funds for a Christmas tree. Enough money was raised to give every child in school, also their little brothers and sisters, a toy of some kind, besides candy and fruit.

Their next undertaking was to place stage curtains in the auditorium of the new school building. This was done solely through the efforts of the P. T. A. at a cost of \$800.

The next project was to beautify the school grounds, on which about \$100 was expended. Prior to that Mrs. Fournier donated a large American flag, and the City Fathers contributed a flag staff. Through the efforts of the P. T. A. put paved walks around the building and employed a man to look after the grounds.

At the expiration of two years new officers were elected, as follows: Mrs. W. A. Mapp, president; Mrs. H. W. Kane, vice president; Mrs. Geo. E. Schilling, treasurer; Miss Dorothy Wells secretary.

Books have been bought for those who could not afford to buy them; milk, lunches and clothing have been furnished the needy.

The P. T. A. has equipped a rest-room and placed a first-aid cabinet in it. Paid for all pipe and water connections, and Mrs. Fairchild donated a lavatory.

At a book shower quite a number of volumes were added to the library. New books were purchased by the P. T. A. and Mrs. Siler donated more than one hundred copies of books to the library. Also, a set of Compton's Encyclopedias have been purchased for the library.

A picture of Geo. Washington has been framed and placed in every classroom of the Waveland school, as well as the Negro school.

In 1930 the County P. T. A. convention was entertained.

Mrs. V. E. Weber has organized and trained a Kiddie Band, thus giving the little ones a love for music.

Mrs. Sidney Carrio is teaching sewing to a class of girls. She not only is instructing them in this important phase of home making, but she is teaching them to utilize whatever materials they have at hand, thereby inculcating habits of thrift.

All of these things could not have been accomplished without the help of the people of the community. They stand behind the P. T. A. to a man and never fail to respond to any appeal for help.

3,000,000 FAMILIES HELPED BY RED CROSS

Distress in All Areas Met by Giving Food, Clothing and Other Aid.

More than 3,000,000 families throughout the nation were given relief of various types by the American Red Cross in the past winter, to aid them in their distress caused by unemployment, disaster or other misfortune.

A major relief task, due to unemployment and other unusual conditions in the bituminous mining counties in twenty states, was met by the Red Cross chapters alone, or participating with other agencies. In these 143 counties, the Red Cross aided 90,000 families through giving groceries, school lunches, clothing, flour and other necessities to combat privation.

Flour, milled from government wheat turned over to the Red Cross by Congress, was given to 15,000,000 persons in the period from March 8 to June 30, the close of the fiscal year. Flour will continue to be given through the winter of 1932-33, and Red Cross chapters also will give cotton clothing, made from government cotton turned over to the Red Cross for distribution.

"The Red Cross faces the busiest winter since the days of the World War," Chairman John Barton Payne said. "It is organized in virtually every one of the 3,072 counties in the United States, and will co-operate with all agencies to meet distress wherever found. The flour has proved of great benefit, and the cotton clothing will be given wide distribution."

While carrying on nation-wide these unemployment and other relief measures, the Red Cross also was engaged in its regular peace-time activities in public health nursing, service to ex-service men and their families, teaching home hygiene, life saving and first aid. The Junior Red Cross, composed of almost 7,000,000 school children, also rallied to the support of the society's relief efforts, and the children aided others of their age in practical ways, formed sewing and food canning classes, and were of great assistance in chapter relief work.

While the wheat and cotton were given by the U. S. Government, no money was provided to pay for the necessary work entailed. The Red Cross will meet this expense of almost \$500,000 from its treasury. Citizens can aid by joining as members of the local Red Cross chapter during the roll call from Armistice Day to Thanksgiving Day.

Chancery Court.

Chancery Court will be held in Hancock County beginning Monday, October 31. This term was pretermitted from July to September and continued to October 31. The docket calls primarily for routine matters. Chancellor D. M. Russell of Gulfport will conduct the court.

The Printed WORD

The printed word reaches more people sooner than verbal or personal contacts. It has an approach that rivals that of the best salesman; it often gets in where real salesmen fear to tread. If your business seems to be slacking up try treating it the printed word way. You will be rewarded with results.

LOCAL LEGION ELECTS

**W. B. Graham Will Head
American Legion for En-
suing Year—Other Of-
ficers Chosen.**

The Clement R. Bontemps Post of the American Legion Auxiliary held its annual election of officers Thursday night with the following results: W. B. Graham, commander; C. L. Reab, first vice-commander; Laurent Dickson, finance officer; A. S. McQueen, reelected adjutant; C. M. Burdahl, historian; Henry Capdepon, reelected service officer; Rev. R. L. Walton, chaplain and William Bertucci, sergeant at arms.

This meeting was well attended and an enthusiastic session resulted. It was decided to hold a local Armistice Day celebration and plans will be made in the next few days for the affair.

The five-point program of the state commander was discussed and the local organization will stand behind the state leader in doing its share of bringing about the successful accomplishment of these major projects which range in interest from membership to child welfare.

Schubert Music Club.

The Schubert Music Club was organized in 1926 with fourteen charter members. In the years that have followed the club has built up a coast wide reputation for musical performances. The club was formed by the charter members principally for their own enjoyment and to share their musical enthusiasm with their friends. The club is affiliated with the Mississippi Federation of Music Clubs and through that with the National and International groups. In its present membership there is an International Chairman of Music Relations, Third State Vice-President and State Emblem Chairman. The club is indeed proud of these officers of which few clubs may boast.

The list of presidents since the beginning is: Mrs. Winfield Partridge, Mrs. George Rea, Mrs. H. C. Glover, Mrs. H. U. Canty and Mrs. W. W. Stockstill the present head. Miss Evelyn Lacoste was charter president and still serves the club ably in that capacity.

Since its inception the club has given five public recitals and assisted in quite a number of benefit performances. Included in the group is the operetta "The Lost Necklace" given for the benefit of the St. Joseph's Gymnasium; "The Feast of the Little Lanterns" for the benefit of the King's Daughters and several sacred concerts. The club also sang over WGM at Gulfport and WSMB in New Orleans.

This year's plans include monthly programs, a sacred concert (required of all Federation members) one or two benefit performances and the sponsoring of special music during Music Week, an annual custom.

Lakeshore P. T. A. Holds October Meet

Lakeshore P. T. A. held its regular monthly meeting October 7. Mrs. Lela Wadsworth, president, presided. The organization was very fortunate in having two good speakers present, Mrs. M. A. Phillips, county chairman, and Mrs. C. C. McDonald were present to discuss plans for publishing an edition of the Sea Coast Echo during the week of October 16, since that week has been proclaimed State P. T. A. Week. At this meeting the local P. T. A. celebrated its birthday. Refreshments were served after the meeting. Six candles decorated the cake. Ice cream was also served.

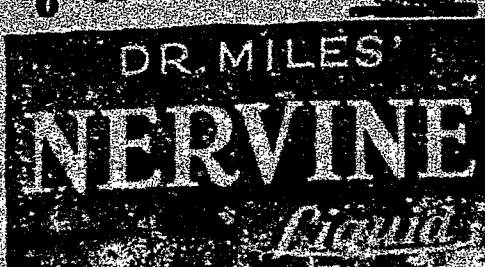

Relief!

WHEN you start at sudden noises, worry over trifles, can't bear the noise that children make, feel irritable and blue—then to one it's your nerves.

Don't wait until your overwrought nerves have kept you awake half the night and paved the way for another miserable day. Take two teaspoonfuls of Dr. Miles' Nervine and enjoy the relief that follows. Take two more before you go to bed. Sleep—and wake up ready for the day's duties or pleasures.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically. Liquid or Effervescent Tablets at all drug stores. Price \$1.00.

Some Pioneer Activities In P. T. A.

DID YOU KNOW THAT:
Logtown P. T. A. is oldest in the County, organized in 1917.

Taylor school had the first milk fund in the State. During the time Miss Rita Breath (Mrs. Roger Boh) was principal milk and soup were furnished the under nourished children.

Mrs. Emile Gex was the first president of Bay Central P. T. A. and really used to work.

During Mrs. Breath's term as president of Bay Central P. T. A. in 1922 the first clinic was held in Hancock county.

Under the leadership and guidance of Mrs. A. F. Fournier the Waveland P. T. A. was organized.

The Lakeshore P. T. A. attends county conventions 100 per cent strong and has won the banner the last three times.

Kila at one time had a P. T. A. with membership of 100 and was one of the largest in the State.

Mrs. Donald Marshall was the first Hancock county chairman and at the same time chairman of District II and second vice president of the State.

The Central P. T. A. had its beginning as a Mothers' Club, suggested by Miss Celine Fayard (Mrs. Ashcraft) and was composed of mothers of primary department only.

The first county convention was held in 1924.

St. Joseph's Academy P. T. A. is starting a milk fund and promoting various activities to keep every child in school on a equal basis.

The Flat Top P. T. A. is not yet a year old and in spite of the burning of the school house and other difficulties is going strong.

The Taylor School was the first school between Mobile and New Orleans to install a radio. This was sponsored by the P. T. A.

Leetown P. T. A. baby member of Hancock County P. T. A., is just two weeks old and elected three men to three of the four offices.

The Hancock County P. T. A.'s were responsible for our full time health unit these past four years.

At the Summer Round-Up, held in Bay St. Louis last summer, 225 children were examined.

Hancock County has the largest percentage of its population in P. T. A. membership of any county in the State, for which it was awarded a silver loving cup at the convention.

Political Reception Given Tuesday Night

A political reception was tendered Tuesday night by the three successful city candidates Mayor-Elect G. Y. Blaize, and Commissioners-Elect W. L. Bourgeois and Grady Perkins, to their friends and supporters. The reception was in the form of a dance and was held at "Uncle Charlie's Nite Club." Several hundred were in attendance during the evening. Music was furnished by two bands. Refreshments were served during the evening.

DAUGHTER IS BORN

Mr. and Mrs. Sam Noto of Toulme street announce the birth of a daughter Tuesday. Mrs. Noto bore her marriage was Miss Lillian Daugherty.

Clothes for the Needy

Women volunteers sewing for the needy under direction of the Red Cross produced 296,000 garments last year, and will produce millions of garments in the winter of 1932-33. These will be from the millions of yards of cotton cloth distributed by the national Red Cross from the 500,000 bales of cotton turned over to the organization by Congress. Cloth was sent to all chapters requesting it, and later it was proposed to send some simple ready-made garments, including trousers, overalls, underwear, stockings and socks.

WORK AND PLAY
AT S. J. A.

FAIR BOOKED FOR NOV. 10.

Benefit of S. J. A. Gym Fund. Surely you've heard the news! Yes, we're giving a Fair on Thursday November 10 to help to diminish the debt on our gym.

We'll have to get busy, for November 10 will be upon us before we know it. The High School is to be responsible for the greater part of the double program which is to be the chief feature of the fair, but all the grades from the first through the 8th will also contribute some numbers to the entertainment.

The biggest surprise of all however comes to us from our ever solicitous P. T. A. who have generously offered to stage "The Womanless Wedding" which they assure us will have no end of surprises for everyone who witnesses it.

In addition to the program there will be refreshments, booths and games of all kinds. This promises to be one of the biggest affairs yet given at S. J. A. and we bespeak everyone's cooperation to insure its success.

SODALITY NOTES.

Last Thursday afternoon the Children of Mary assembled in the basement from whence they proceeded to church to hold their first spiritual meeting of this school term. Kneeling before the altar of the blessed Virgin, the Sodalists recited in unison the beautiful and impressive Office of the Queen of Heaven. The meeting closed with a hymn to Mary.

What about your promise Sodalists? It is easier to promise than to perform. The Sodalists can tell you that.

Last week the Children of Mary's meetings resulted in a promise to say a decade of the Rosary each day as many have since gone to church daily at ten o'clock and for a few minutes have knelt before the altar of our Lady pouring out their heart in prayer, but of some, strange to say when it's ten o'clock, you might ask of them "Here is the recess but where are you Sodalists?"

BOARDERS ENJOY COLUMBUS DAY.

Half holiday given last Wednesday, in honor of Columbus proved a very enjoyable one for the boarders. The announcement of a picnic to take place after dinner caused no little excitement, and the girls lost no time in climbing into the truck which came for them at half past two.

After a delightful truck ride to Bayou Caddy and from there to Henderson Point, the sandwich boxes were unpacked and more quickly than it takes time to write about it, those sandwiches and fruit were done away with.

Lunch over the majority of the girls piled into a skiff and had lots of fun rowing and mostly getting stuck in the waters along the shore of the Point. The rest of the picnickers strolled along the beach and all were surprised at how quickly the time had passed, when the truck made its reappearance and the signal was given—"for home."

HOW ONE WOMAN LOST 20 POUNDS OF FAT

Lost Her Prominent Hips—Double Chin—Sluggishness

GAINED PHYSICAL VIGOR—A SHAPELY FIGURE.

If you're fat—first remove the cause!

Take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—you feel younger in body—Kruschen will give any fat person a joyous surprise.

But be sure it's Kruschen—your health comes first—and SAFETY first is the Kruschen promise.

Get a bottle of Kruschen Salts from any leading druggist anywhere in America (lasts 4 weeks) and the cost is but little. If this first bottle doesn't convince you this is the easiest, SAFEST and surest way to lose fat—your money gladly returned.

TRANSCRIPT OF ORDER BOARD OF SUPERVISORS.
THE STATE OF MISSISSIPPI,
HANCOCK COUNTY.
Board of Supervisors October Term 1932

Be it remembered, that at the above stated Term of the Board of Supervisors of said County, an order was made by said Board, which was in the following words and figures, to-wit:

Whereas it was necessary to borrow money for Hancock County to meet the expenses for the current year, therefore be it resolved that it is the intention of the Board of Supervisors of said County to borrow the sum of \$5,000.00 for the General County Fund in anticipation of the taxes for the year 1932, to defray the expenses of the said year and to issue a negotiable note for the County maturing not later than February 15th, 1933 and bearing interest at the rate of not more than 6 per cent per annum.

The Clerk of this Board will publish a certified copy of this order as required by law, so that the adult tax payers of said County may protest if they desire.

I, A. G. Favre, Clerk of the Chancery Court, and ex-officio Clerk of the Board of Supervisors in and for the County and State aforesaid, do hereby certify that the above and foregoing transcript is a true and correct copy of an order passed by the Board of Supervisors, and entered at their October Term, A. D. 1932, on the 19th day of October, 1932, as fully and completely at the same appears of record in my office, in Board of Supervisors' Minute Book M.

Given under my hand and the seal of said Board of Supervisors, at my office in Bay St. Louis, Miss., this 19th day of October, A. D. 1932. (SEAL) A. G. FAVRE, Clerk.
